'Crossing the Jordan' – Looking at God's faithfulness

Sunday 20 March 2022

Speaker Daryl Fowles

Here are this week's questions for those using this message in their study groups..

1. See if you can find other allegories in the scriptures (pictures, metaphors, or symbols). Stories that have a much deeper meaning than at first glance. For context look at the story of The Exodus and try to find the story in that.
2. Lazarus lived in the town of Bethany (Town of affliction). Could there be significant connection of Lazarus to the allegory I spoke about today?

*"When the rush of Jordan's waters breaking on the shore  
Tells the struggling, fainting pilgrim toil is nearly o'er;  
Jesus ready to receive him, brothers gone before,  
Welcome him with songs of triumph, 'Home forevermore!'"*
