'Trusting God's Promises

Sunday 27 March 2022

Speaker Sandy Dunlop

Here are this week's questions for those using this message in their study groups..

1. What is your favourite Old Testament story and why?
2. What transformational practices have you found success with in developing strong minds and soft hearts?
3. What transformational practices can you see a need for in your life or in the lives of those around you?
4. Discuss 2 things you will either start doing or invite others to join you in doing this week! These should involve personal growth or community engagement.

We must keep ourselves in touch, not with theories, but with people, and never get out of touch with human beings if we are going to use the word of God skilfully amongst them.
